Do You Use One or More of These Tools in Your Practice?

- **MobileMD** – physician portal
- **SCI Order Facilitator** – electronic referral portal
- **Paragon Webstation for Physicians** – physician portal

Sign Up for HealtheConnection Training Today!

On October 1, 2017, HealtheConnection will become the resource for these portals. Sign up for HealtheConnection training (info@healtheconnection.org) to ensure you have access to these tools on October 1.

Training is Fast, Convenient and Free

Our team will find a time that works best for your practice, delivering our on-site training package in two hours.

Exciting Changes on October 1

Northeast Georgia Health System (NGHS) will transition to Epic, a new technology platform, on October 1. Your providers and office staff will have the ability to access your patients' records, as well as records from the regional health information exchange, through a new web-based portal called HealtheConnection. NGHS will also begin using HealtheConnection for electronic referrals on October 1.

HealtheConnection Benefits

Regional healthcare providers who participate in HealtheConnection can place the following types of basic imaging orders at Northeast Georgia Health System:

- X-ray
- CAT Scan
- Breast Imaging/Diagnostic Mammogram/Screening Mammogram
- Bone Density
- Fluoroscopy
- Magnetic Resonance Imaging (MRI)
- Nuclear Medicine
- Ultrasound

Meet Our HealthConnection Team

Alan Wills

Executive Director

Prior to joining the HealthConnection team in 2013, Alan served as Associate Director of Health at Georgia Tech's Enterprise Innovation Institute, leading the collaboration with the Georgia Health Information Technology Regional Extension Center to assist primary care physicians in being meaningful users of electronic medical record. He also worked with healthcare providers in Georgia in developing health information exchanges and using technology to adopt new care delivery models that focus on patient-centered care and care coordination.

Alan has over 15 years of experience in healthcare finance and accounting and has worked in a finance executive capacity with Grady Health System, DeKalb Regional Health System and the Georgia Cancer Coalition. He holds a Bachelor of Science degree in Accounting from Georgia Southern University in Statesboro.
