

LEGENDS AT CHATEAU ELAN TUESDAY, MAY 17, 2022

SINCE OPENING IN SEPTEMBER 2016, BRASELTON'S 4-ROOM NEONATAL INTENSIVE CARE UNIT (NICU) HAS CARED FOR THOUSANDS OF BABIES, AN AVERAGE OF 7 PER DAY, WITH MOST OF THOSE TINY PATIENTS SUFFERING FROM UNEXPECTED EMERGENCIES.

YOU CAN HELP SAVE MORE LIVES THROUGH YOUR SPONSORSHIP OF THE LAUREL CLASSIC, BENEFITTING THE NICU AT NORTHEAST GEORGIA MEDICAL CENTER BRASELTON.

Thank you for joining the mission to improve the health of our community as part of your philanthropic support and vision.

It is through the generous support of donors and partners that NGHS is able to continue providing compassionate care, integrating with advanced technologies and increasing our healing capabilities while serving everyone, regardless of their ability to pay. From emergency care for the tiniest and most vulnerable, to critical traumatic care - the needs presenting at Northeast Georgia Medical Center (NGMC) Braselton are growing.
