If you checked yes, how many? 0 (FTE's)

What languages do they interpret?

Classes on cultural competency awareness are provided for existing staff. Several staff members

In general orientation our new staff are trained about the Interpreter Program. Discussion involves how to access interpreters and usage of the language line for various types of languages. New staff receive information that incorporates cultural awareness in communicating and providing care to patients and their families. The organization offers Interpreter skills training classes which include medical terminology.

5. What is the most urgent tool or resource you need in order to increase your ability to provide **Culturally and Linguistically Appropriate Services (CLAS)** to your patients?

Comments:

D.1 The hospital's total complement of CON-authorized beds remains 56 beds.

E.5 The transfer data include both transfers to non-Northeast Georgia Health System facilities and transfers/transport within the Northeast Georgia Health System.

E.9 The reported ambulance diversion hours were only for psych, not for all services.

F.1b Ambulance trips data reflect EMS arrivals at the hospital.

F.1b Hospice and respite patients are estimated based on system-wide 2021 experience of Northeast Georgia hospitals.

G.3 and 4—Effective January 1, 2021, the system has a unified medical staff, meaning that most physicians are on the medical staff of all Northeast Georgia hospitals.

G.4 NGMC Barrow physicians do not report Medicaid/PEHB plan provider status to the hospital. NGMC Barrow has attempted to gather data regarding physician enrollment in those programs, but recognizes that its data are likely incomplete. NGMC Barrow also recognizes that it is very likely that a greater number of its medical staff are enrolled providers in those programs than reflected in the data reported here.

Minority Health Addendum - Part 3. NGMC Barrow does not have reliable data to report.

Minority Health Addendum - Part 6. Signage on the hospital campus utilizes universal symbols and numbers to direct non-English speaking patients to the appropriate locations. Signs are marked with braille lettering to assist the sight-impaired in locating their intended destination.

Nursing Addendum—All Northeast Georgia system hospital nurses with multi-state licenses are shown on the nursing addendum submitted with the NGMC AHQ.
