PLEASE JOIN US ON THURSDAY, OCTOBER 5 FOR THE MEDICAL CENTER OPEN AT CHICOPEE WOODS!

This year, the Medical Center Open is funding a critical community need – Unite Us. Unite Us creates a coordinated care network with partners working together to provide a broad range of crucial services like housing, employment, food assistance and more.

This social care network allows for communication and referrals to move easily between community non-profits and service organizations to connect individuals and families with the social services and help they need in real time.

Driven by United Way of Hall County with leaders across the community, sponsors like you provide support and assistance to make programs like Unite Us a reality.
