**GEORGIA HEART INSTITUTE PRESENTS THE 3RD ANNUAL GEORGIA HEART & VASCULAR SYMPOSIUM!**

COMMITTED TO CARE INFORMED AND ENRICHED BY THE SPIRIT OF DISCOVERY AND NEW TECHNOLOGIES, THIS PROGRAM WILL FEATURE TALKS FROM WORLD RENOWNED LEADERS ACROSS THE SPECTRUM OF CARDIOVASCULAR SPECIALTIES AND PROVIDE A PATIENT-CENTRIC OVERVIEW OF THE FUTURE OF HEART CARE. THE AUDIENCE WILL ENGAGE IN LIVE CASES, DEBATES, PANEL DISCUSSIONS, EXHIBITS, GALA WITH LIVE ENTERTAINMENT AND A CONCURRENT SESSION FOR EMS.

**CREDIT STATEMENT**

Northeast Georgia Medical Center, Inc. & Northeast Georgia Health System, Inc. is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Northeast Georgia Medical Center, Inc. & Northeast Georgia Health System, Inc. designates this live activity for a maximum of **13.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **13.25 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Northeast Georgia Health System, Inc. is approved as a provider of nursing continuing professional development by the Northeast Multistate Division Education Unit, an accredited approver of **continuing nursing education** by the American Nurses Credentialing Center's Commission on Accreditation.

Continuing education credits awarded for EMS and ASRT.

**RECEIVING CREDIT**

Complete the program evaluation to claim credit for sessions attended. Access to evaluation will be provided.

# WELCOME TO THE GEORGIA HEART & VASCULAR SYMPOSIUM

The Georgia Heart & Vascular Symposium is an outstanding learning opportunity for cardiologists, cardiac surgeons, vascular surgeons, internists, primary care physicians, fellows, residents, advanced practice practitioners, nurses, technologists, paramedics and industry colleagues. The program will engage you with inspiring sessions, live cases, panel discussions, exhibits and more!

Georgia Heart Institute was launched as a culmination of all the clinical, educational, research and innovation activities of the entire heart & vascular service line of Northeast Georgia Health System (NGHS). This includes five residency programs and three fellowship programs - including a cardiovascular medicine fellowship. NGHS is a not-for-profit community health system anchored by Northeast Georgia Medical Center's five hospital campuses in Gainesville, Braselton, Barrow, Lumpkin and Habersham. Built on a rich legacy of excellence in heart and vascular care within the greater Atlanta and Northeast Georgia region, Georgia Heart Institute has already a distinguished reputation for its clinical excellence and multi-disciplinary services, making it one of the region's elite destinations for cardiovascular care.

What an exciting time to be caring for patients with cardiovascular disease -- an era when we can leverage the disruptive technological, medical and pharmacological innovation to serve our patients and communities. The Georgia Heart and Vascular Symposium is designed to provide a patient-centric overview of specific aspects of contemporary cardiovascular care- allowing you to claim CME and MOC credits.

On behalf of the Program Committee of the Georgia Heart & Vascular Symposium, we are certain that the symposium will provide a unique and enriching educational and networking experience for the attendees and faculty.

Sincerely,
