4. What **training** have you provided to your staff to assure cultural competency and the provision of **Culturally and Linguistically Appropriate Services (CLAS)** to your patients?

Classes on cultural competency awareness are provided for existing staff. Each year, during the

annual mandatory education, an employee's cultural awareness is discussed including the usage of interpreters and their importance in communicating with non-English speaking patients. Comments:

E.5 - NGMC is unable to provide transfer data for January-June 2023. The transfer data include both transfers to non Northeast Georgia Health System facilities and transfer/transport within the Northeast Georgia Health System.

F.1b - Ambulance trips data reflect EMS arrivals at the hospital.

F.1b - Hospice and respite patients are estimated based on system-wide 2024 experience of Northeast Georgia hospitals.

G.1 - "Other Health Services Professionals" vacant budgeted FTE's is an estimate.

G. 3 and 4 — Effective January 1, 2021, the system has a unified medical staff, meaning that most physicians are on the medical staff of all Northeast Georgia hospitals.

G.4 - NGMC Habersham physicians do not report Medicaid/PEHB plan provider status to the hospital. NGMC Habersham has attempted to gather data regarding physician enrollment in those programs, but recognizes that its data are likely incomplete. NGMC Habersham also recognizes that it is very likely that a greater number of its medical staff are enrolled providers in those programs than reflected in the data reported here.

Surgical Services Addendum Part A 1 and 2: Procedures excludes C-sections, which are separately reported in Perinatal Services Addendum.

Minority Health Addendum - Part 3. NGMC Habersham does not have reliable data to report.

Minority Health Addendum - Part 6. Signage on the hospital campus utilizes universal symbols and numbers to direct non English speaking patients to the appropriate locations. Signs are marked with braille lettering to assist the sight impaired in locating their intended destination.

Nursing Addendum—All Northeast Georgia system hospital nurses with multi-state licenses are shown on the nursing addendum submitted with the NGMC AHQ.
