PLEASE JOIN US ON THURSDAY, OCTOBER 2 FOR THE MEDICAL CENTER OPEN AT CHICOPEE WOODS!

The Medical Center Open is excited to fund Workforce Development initiatives at Northeast Georgia Health System (NGHS) this year. This unique program addresses critical healthcare talent shortages by connecting NGHS employees and local students with opportunities to grow professionally within the healthcare industry. By offering development programs, scholarships, and investing in local education programs with regional colleges and high schools, these efforts will build a strong talent pipeline. More importantly, this initiative will create meaningful career opportunities for future healthcare leaders in our region.
