Please report the county of origin for the inpatient admissions or discharges excluding newborns (except surgical services should include outpatients only). You may enter the data on the web form or upload the data to the web form using a .csv file that matches our downloadable template. The .csv file must contain the same column headings as shown in our template, in exactly the same order. You do not need to include every county, but the county names, state names, and other out of state category must match those in our template.

Georgia Minority Health Advisory Council Addendum

Because of Georgia's racial and ethnic diversity, and a dramatic increase in segments of the population with Limited English Proficiency, the Georgia Minority Health Advisory Council is working with the Department of Community Health to assess our health systems' ability to provide Culturally and Linguistically Appropriate Services (CLAS) to all segments of our population. We appreciate your willingness to provide information on the following questions:

Do you have paid medical interpreters on staff? (Check the box, if yes)

If you checked yes, how many? (FTEs)

What languages do they most often interpret?

When a paid medical interpreter is not available for a limited-English proficiency patient, what alternative mechanisms do you use to assure the provision of Linguistically Appropriate Services? (Check all that apply)

Bilingual hospital staff member

Community Volunteer Interpreter

Refer patient to outside agency

Bilingual member of patient's family

Telephone interpreter service
