The primary goal of New Hope was to make counseling affordable to ALL persons in need of outpatient services. New Hope provides comprehensive outpatient programming for the treatment of addictive diseases and their emotional, mental and behavioral consequences. Their focus is to encourage clients to gain insight and understanding while working toward fulfilling the needs of the judicial system, social services, or their employer. Their goal is to facilitate growth and change for those who desire it and to provide a safe and nurturing environment in which to experience self-acceptance. Programs are 1-hour, 2-hours and 3-hours in length in order to meet programming requirements for Probation, Parole, DFCS, and Multiple Offenders. They offer the following classes/counseling: Alcohol and drug, anger management, domestic violence, family violence, individual sessions, marriage counseling.
